From the Pastor's Desk:

Thanks to be to our elders and our diocese that we have a good Gym which is of great use to our parish and our school. Practically every day it is being made use either by the parish or by the school. In addition to holding major events such as the Fall Festival, Guadalupe celebrations, Simbang Gabi celebrations, Our Lady of Immaculate Conception feast, Parish dinner dance, Parish Music events, Santo Nino celebrations, etc. the parish also uses the Gym for live telecasting of the liturgical celebrations to our parishioners who cannot be accommodated in the church due to lack of space on days such as Feast of Guadalupe, Ash Wednesday etc. The Department of Faith Formation and the Youth too, regularly use the Gym to conduct various programs. The school uses the Gym for various educational purposes as well as to conduct events, such as Halloween, Graduation Dinner and fundraising Crab Dinner also conducted in the Gym. In addition to these, the CYO regularly uses the Gym to coach students in Basketball. Our elders can feel proud that the financial sacrifices they made to build the Gym are not wasted. It is thoroughly made use for both spiritual and educational purposes. However, many people expressed the opinion that although we have a good Gym, it lacks a good sound system. The task of installing a good sound system for the Gym was entrusted to Mr. Roberto Baires – a member of our Pastoral Council and Technology Committee. He is also the one who takes care of all our computers and electronic gadgets. He takes care of all these things completely free of cost. The parish is very much indebted to him for his generosity and dedication to the parish. He and his wife also serve as lectors in our Masses in Spanish. Mr. Roberto Baires and Mr. Ariel Mayormita – our Music Director did a lot of research and purchased four speakers well within our limited budget. After having purchased four speakers, the next task was to mount those four heavy speakers on the walls of the Gym in such a way that it does not hinder any activity that takes place in the Gym such as Basketball. That task was assigned to Mr. Abelardo –Viveros, our maintenance man. Under the direction of Mr. Roberto Baires, Mr. Abelardo Viveros mounted all the four heavy speakers high on the walls of the Gym and did all the wiring in such a way they will never be a hindrance to any event. The sound is amazing. Congratulating Mr. Roberto Baires for installing such a beautiful sound system in the Gym, Mr. Armond Seishas, our school Principal, in his Email writes, “I could not have asked for anything better than this sound system.” Along with this, the sound system in the hall is also taken care. The parish and the school thank Mr. Roberto Baires, Mr. Ariel Mayormita and Mr. Abelardo Viveros for taking care of one of the long felt needs of our Parish. Well done.

Nota de nuestro pastor

Gracias a nuestros ancianos y nuestra Diócesis tenemos un buen gimnasio que es de gran utilidad para nuestra parroquia y nuestra escuela. Prácticamente cada día se usa por la parroquia o

la escuela. Además de grandes eventos como el Festival de Otoño, celebraciones de Guadalupe, Simbang Gabi, fiesta de Nuestra Señora de la Inmaculada Concepción, baile-cena parroquial, eventos musicales de la parroquia, las celebraciones del Santo Niño, etc., la parroquia también utiliza el gimnasio para teledifusión de las celebraciones litúrgicas para los feligreses que no pueden ser acomodados en la Iglesia debido a la falta de espacio en los días de fiesta de Guadalupe, Miércoles de Ceniza, etc. El Departamento de Formación de Fe y los jóvenes, también usan con regularidad el gimnasio para llevar a cabo diversos programas. La escuela utiliza el gimnasio para los varios propósitos educativos, así como para realizar eventos. Eventos como Halloween, cena de graduación y cena de cangrejo para recaudación de fondos también se lleva a cabo en el gimnasio. Además de éstos, CYO utiliza regularmente el gimnasio para entrenar a los estudiantes de Basquetbol. Nuestros ancianos pueden sentirse orgullosos de que no se han desperdiciado los sacrificios financieros que hicieron para construir el gimnasio. Se ha usado para ambos propósitos espirituales y con fines educativos.

Sin embargo, mucha gente opinó que aunque tenemos un buen gimnasio, carece de un buen sistema de sonido. La tarea de instalar un buen sistema de sonido para el gimnasio fue confiada al Sr. Roberto Baires - miembro de nuestro Consejo Pastoral y Comité de Tecnología. También es quien se encarga de todos nuestros equipos y aparatos electrónicos. Él se encarga de todas estas cosas completamente libre de costo. La parroquia está muy endeudada con él por su generosidad y dedicación a la parroquia. Él y su esposa también sirven como Lectores en nuestras Misas en Español.

El Sr. Roberto Baires y el Sr. Ariel Mayormita - nuestro Director de Música hicieron mucha investigación y compraron cuatro altavoces dentro de nuestro presupuesto limitado. Después de haber comprado cuatro altavoces, la siguiente tarea fue montar esos cuatro altavoces pesados en las paredes del gimnasio de tal manera que no impidiera cualquier actividad que se lleva a cabo en el gimnasio como el basquetbol. Esa tarea fue asignada al Sr. Abelardo - nuestro hombre de mantenimiento. Bajo la dirección del Sr. Roberto Baires, el Sr. Abelardo Viveros montó todos los cuatro altavoces pesados altos en las paredes del gimnasio y acomodó todos los cables de tal manera que nunca serán un obstáculo para cualquier evento. El sonido es increíble.

Felicitando al Sr. Roberto Baires por instalar un sistema de sonido tan hermoso en el gimnasio, el Sr. Armond Seishas, Principal de nuestra escuela, en su correo electrónico escribe, "no podría haber pedido nada mejor que este sistema de sonido." Junto con esto, se harán cargo del sistema de sonido en el Salón Social. La parroquia y la escuela agradecen al Sr. Roberto Baires, Sr. Ariel Mayormita y Sr. Abelardo Viveros por cuidar de una de las necesidades de nuestra parroquia durante mucho tiempo. Bien hecho.

Vatican Corner

Pope Francis announced that on June 21, 2015, he will be visiting Turin, Italy and will venerate the Holy Shroud of Turin. There he will also join in the commemoration of the 200th anniversary of the birth of Saint John Bosco the founder of the Salesians, the popular name for the Society of St. Francis de Sales, a Roman Catholic organization that he started in the late nineteenth century. Through works of charity and education he helped the young and poor children of the industrial revolution. Saint John Bosco did his work in Turin. He used an educational style based on reason, religion and loving kindness. From its humble beginnings, the Salesians have grown and inspired many others to follow the path of St. John Bosco.

Today there are nearly 30,000 Salesian Priests, Brothers, Sisters and novices in their global mission spanning more than 130 countries helping millions of children and families. The Salesians operate Orphanages, Shelters, Hospitals, Clinics, Nurseries, Youth Centers, Parishes, and Schools. They believe that poverty can only be eradicated through education, so they take great pride in the accomplishments of their Elementary and High Schools, Vocational, Technical and Agricultural Schools, Colleges and Universities.

The rare public exhibition of the Shroud of Turin is part of a yearlong celebration of Saint John Bosco. It's expected that at least a million people from all over the world will come to see the shroud from April 19 to June 24, 2015. According to tradition, the 14-foot-by-4-foot linen cloth is the burial shroud of Jesus. The shroud has a full-length photonegative image of a man, front and back, bearing signs of wounds that correspond to the Gospel accounts of the torture Jesus endured in his passion and death. The shroud was first displayed publicly in Lirey, France in 1355. It was brought to Turin its present home in 1578. The church has never officially ruled on the shroud's authenticity, saying judgments about its age and origin belonged to scientific investigation. Scientists have debated its authenticity for decades, and studies have led to conflicting results. In 1988 three carbon-dated tests placed the origin of its linen fibers no earlier than the 13th century. But since that time, several experts have testified that the tested fibers, taken from the outer edge of the cloth, were contaminated and likely not part of the original cloth. In 2013 a new book described measurements of the degradation of cellulose in linen fiber from the shroud, and two separate approaches showed the cloth to be at least 2,000 years old. Like previous popes, Pope Francis, too, confirms the devotion to the shroud by millions of pilgrims, and recognizes it as a sign of the mystery of the passion and death of the Lord. Early in his papacy, Pope Francis spoke about the image on the burial cloth, saying "the Man of the Shroud invites us to contemplate Jesus of Nazareth." The image, he said, "speaks to our heart and moves us to climb the hill of Calvary, to look upon the wood of the Cross, and to immerse ourselves in the eloquent silence of love."

La Iglesia Católica de San Joaquín Noticias de la Campaña

15 - 16 de noviembre, 2014 • Volumen 12

¡Hemos sobrepasado \$18,000 en compromisos aquí en San Joaquín!

El Comité de la Campaña le gustaría agradecer a todas las familias que han contribuido hasta la fecha. Hemos recibido \$18,060 en compromisos de 11 familias parroquiales. En este momento, estamos esperando la respuesta de mas de 3,000 familias. Esperamos tener una respuesta de aquellas familias muy pronto. Actualmente nos encontramos al 2% de la meta con menos del 1% de nuestra parroquia. **Favor de tener en cuenta que vamos a recibir el 25% de todos los fondos recaudados hasta nuestra meta de la campaña y el 50% de todos los fondos recaudados por encima y más allá de ese objetivo.**

**Uno de nuestros objetivos es tener el 100% de participación.
¡Si usted todavía no ha respondido, TODAVIA NECESITAMOS SU AYUDA!**

Nuestra campaña se basa en cada familia haciendo un mismo sacrificio y no el mismo compromiso. Favor de considerar en oración lo que usted puede hacer para apoyar esta campaña tanto para nuestra parroquia y nuestra Diócesis. Por favor responda generosamente. Es solo a través de la oración y el sacrificio que podemos tener éxito en esta campaña. Haga su regalo hoy para ayudar a reducir el número de llamadas de seguimiento que nuestro Comité de la Campaña hará durante las próximas semanas.

Pledge Totals Surpass \$18,000 here at St. Joachim!

The Campaign Committee would like to thank all the families who have contributed to date. We have received \$18,060 in pledges from only 11 parish families. At this time, we are awaiting a response from over 3,000 families. We hope to hear from those families very soon. Currently, we are at 2% of goal from less than 1% of our parish. **Please keep in mind that we will receive 25% of all monies collected up to our campaign target and 50% of all funds raised above and beyond that target.**

**One of our goals is to have 100% participation.
If you have not yet responded, WE STILL NEED YOUR HELP!!!**

Our campaign is based on every family making an equal sacrifice, not an equal gift. Please prayerfully consider what you can do to support this campaign for both our parish and our Diocese. Please respond generously. It is only through prayer and sacrifice that we can make this campaign successful. Make your gift today to help reduce the number of follow-up calls our Campaign Committee will have to make over the next few weeks.
